Lanai 48" shown with clean face trim and Driftwood Logs

LANAI OUTDOOR GAS FIREPLACE

Light up your landscape with our best and brightest, the Lanai linear outdoor gas fireplace. The night comes alive with glowing flames and a colorful crushed glass firebed reflected in stainless steel as you create a contemporary vibe to your outdoor space.

- Modern linear design in 48", 60" and stunning 48" see-through models
- LED lighting in eight colors (choose one or cycle) and three intensity levels
- Stainless-steel interior to reflect and magnify the flames
- Durable with rust-resistant, stainless-steel construction
- IntelliFire® ignition system with wall control constantly monitors ignition and ensures safe functioning
- Weatherproof wall control to run your fireplace and change LED colors
- No chimney or venting needed, blends anywhere into your space
- Glass wind guard to keep flame pattern steady and strong

Optional features

- Add a layer of safety with an optional screen to protect and prevent debris from entering the fireplace
- Add optional ceramic stone or driftwood logs for a touch of customization
- Ensure even longer life with a drain pan that moves moisture away from the fireplace

Cottagewood 42" shown with traditional brick interior and outdoor Grand Oak gas logs

COTTAGEWOOD OUTDOOR WOOD FIREPLACE

Gather with family and friends around the crackle and aroma of a blazing fire as you take the chill off evenings and extend the outdoor season. The Cottagewood outdoor wood-burning fireplace is weather-proof for long life, while brick-like interior panels help create a nostalgic vibe.

The night comes alive as you stoke a fire, kick back and toast marshmallows. Cozy up around a classic wood burner that's low on upkeep but high on good looks—setting the mood where the best moments begin.

- 36" or 42" wide openings
- Tuckaway stainless-steel screens for open view of flames or to keep sparks in
- Easy damper control for airflow/smoke control on enclosed patios
- Safe on a wood or composite deck with a 20" protective hearth apron
- Mineral Gray traditional or herringbone brick interior panels
- Black painted grate keeps logs in place and burns more efficiently
- Place freestanding or next to an exterior wall

Castlewood shown with standard stainless steel mesh, traditional molded brick interior and outdoor Fireside Grand Oak gas log set

CASTLEWOOD OUTDOOR WOOD FIREPLACE

The Castlewood turns any outdoor area into a welcoming and relaxing living space. A large, high opening provides a dramatic view from across the yard, and a textured brick interior offers masonry-style looks at a fraction of the cost. Enjoy the experience of a large wood fire with the Castlewood.

- Expansive 38" high firebox opening
- Choose from traditional or herringbone brick interior for an authentic masonry look
- Black steel grate and stainless steel mesh curtain screens built to look great for years
- 42" wide fireplace adds enjoyment to your space

Optional features

- Outdoor Fireside Grand Oak log set for the added convenience of gas
- Premium bi-fold glass doors with a bronze finish
